Current

General Manager

McDonald's Restaurant, Medina, OH

- Optimize profits by controlling food, beverage,

and labor costs daily.

- Delivered business strategy and developed systems and procedures to improve operational quality and team efficiency.
- Reduced process bottlenecks by training and coaching employees on practices, procedures and performance strategies.
- Drove year-over-year business growth while leading operations, strategic vision and long-range planning.
- Maximized operational excellence mentoring personnel on management principles, industry practices and company procedures.
- Created and deployed successful strategies to boost restaurant performance, streamline food prep processes and reduce waste.
